

ADVERTISEMENT TO BID

Electronic bids will be received for the **1200 PRESSURE ZONE IMPROVEMENTS – PHASE II (CIP P2653)** through vendor Periscope S2G (formerly BidSync), until **4:00 PM local time, on Tuesday, August 24, 2021**, and at that time bids will be publicly opened and read.

The general scope of work includes construction of: **the replacement of existing pump station discharge header, pressure relief, suction manifold, and yard piping improvements**, and all other work and appurtenances in accordance with the contract documents. The engineer's estimate is **\$400,000**.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

- No contractor or subcontractor may be listed on a bid proposal for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].
- No contractor or subcontractor may be awarded a contract for public work on a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code Section 1725.5.

A Pre-Bid Meeting will be held at **11:00 A.M. local time on Wednesday, August 11, 2021, via Zoom video online conference** (see Bid Document Specifications, Section 00030, Invitation to Bid, for Zoom link). In-person attendance of the bid opening will not be permitted due to the COVID-19 pandemic and preventative social distancing measures.

The District is using Periscope S2G (formerly BidSync), an online bid solicitation website, for electronic distribution of Bid Documents. Bidders must register online with Periscope S2G at <https://www.periscopeholdings.com/s2g> to participate in this procurement. There is no cost associated with registering. All documents and information related to this procurement are on the BidSync website under the bid name "**1200 PRESSURE ZONE IMPROVEMENTS – PHASE II (CIP P2653)**." Once registered, bidders can view and download information regarding this procurement, including the bid and contract documents, as well as submit questions related to the bid and contract documents. The District will only respond to questions submitted on Periscope S2G. A Vendor Viewed List, updated at least weekly, can be downloaded from the Otay Water District's website, Engineering Bids page at <https://otaywater.gov/about-otay/bid-opportunities/engineering-bids/> under the "Outstanding Bids" tab.

Dated this 28th day of July, 2021.
